

# MEGAN GRAMS - AUSTIN JORDAN TOPPLE HOBART FIELD

**Tenth seeded pairing clicks during baker segment to capture Mixed Doubles Title**

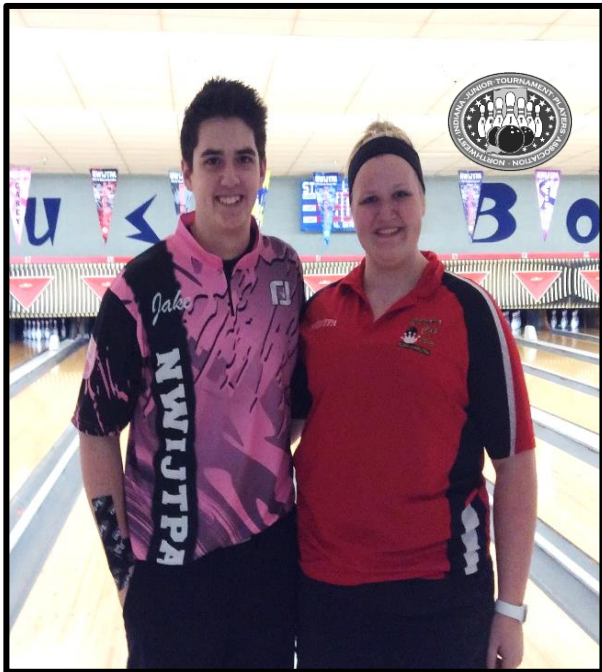

Michigan City junior Megan Grams and Ancilla College sophomore Austin Jordan secured the top seed following ten games of baker match play in convincing fashion, averaging 211.4 and posting a 7-3 match play record, outdistancing the second seeded pair of Macailin Rodriguez and Tyler Cook by 207 pins. The pair then continued their blistering pace with a 215-202, 142-214, and 196-157 victory in the title match against the third seeded tandem of Maryssa Carey and Jake Collins.

For Grams, this was his first NWIJTPA title while Jordan Jordan earned his second career title. The pair advanced to the baker segment of the event as the final qualifiers (10th) following five games of singles competition that was used to determine the ten advancing pairs. Teams were matched up according to singles qualifying performances.

In the semi-final match, the tandem of Carey-Collins rolled to a 223-190 and 193-169 win over the second seeded pair of Rodriguez and Cook. Cook and Rodriguez used a closing 239 game 10 total to jump from 5th to second in what proved to be an electrifying final round that had five teams battling for two championship round spots.
