## Acosta Earns 1st NWIJTPA Career Win, Carey Averages 230 in championship round

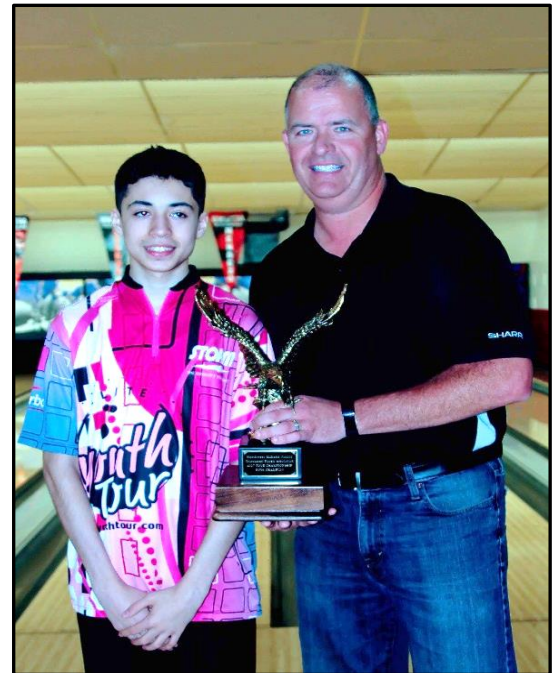

Bolingbrook IL 16-year old Alex Acosta, competing in his first year on the NWIJTPA tour, picked a great time to capture his first career title, winning the 2017 Tour Championships. Acosta, who has had multiple top 5 finishes, was seeded second following the 12-game qualifying segment across three patterns, and would face off against Portage's Austin Schultz in the semi-final match. Schultz clung to an early lead (236-235) after game one of the two game total pin match but Acosta stormed back in game two 242-194 to advance to the title match against top-seed Jakob Sisk (Rossville, IN). Sisk, as a benefit of being the top seed, elected to contest the championship matches on the difficult long pattern.

The title match looked to be all Acosta after game 1 as he raced out to a 237-142 lead as Sisk could just not match up with the pattern that he dominated only a day earlier. However, Sisk was not simply going to roll over. The Calumet College of St Josephs recruit put some excitement into the air by reeling off a seven bagger that narrowed the Acosta lead to 20 pins through 8 frames of game 2 but the run fell just short as Acosta put his own run together late to outlast the charging Sisk 450-387.

In the eliminator match featuring the #3, #4, and #5 qualifiers, Austin Schultz advanced to the semi-finals by running past Jordan Shepherd and Daniel Brown.

Acosta collected \$700 for the title plus an additional \$80 for his first place block finish during Saturday's afternoon qualifying session. Sisk collected \$400 for second plus an additional \$180 in qualifying block finishes. Leaders of each block included Sisk (Block 1 Short), Acosta (Block 2 Long), and Jordan Shepherd (Block 3 Medium).

The boys field of 20 averaged a staggering 204.9 during the 12-game qualifying block, highlighted by Aiden Swinford's (Hebron) 300 in game 10. It was Swinford's first career perfecto and the tour's second for the gentlemen in it's six year history.

Maryssa Carey found herself in 8th place after 11 games of qualifying. The two time NWIJTPA Player of the Year needed a big game to close out qualifying simply to hope to secure a spot in the final five. She delivered. A 255 vaulted her into the fifth and final qualifying position, edging out Kentwood MI's Macailin Rodriguez by 11 pins. Carey then used that momentum to advance to the semi-finals by stunning 3rd seeded Brooklynn Schutz and 4th seeded Sarah Voiers with the front 10 enroute to an impressive 288. Carey, an Indiana Tech recruit, then drew second seeded CCSJ recruit Liana Motel. The Lake Central standout was no match for a lined up Carey, falling 442-342. Carey now would face tournament top seed and Youngstown State University standout Nicolette Mendez of Homer Glen, IL. Mendez, like Sisk, selected the difficult long pattern to bowl the championship round on, and like Sisk, fell victim to a hot opponent. Carey jumped out to a 234-189 lead and maintained that throughout game 2, ultimately defeating Mendez 428-384 for her 7th career title and second major.

Carey collected \$700 for her win plus an additional \$65 in block prizes. As 2017 Player of the Year, Carey was awarded an additional \$300 in bonus scholarships. Mendez earned \$400 for her runnerup finish plus an additional \$130 in qualifying awards.

Emily Payne (Lake Central) led block one with Mendez leading block 2. Stephen F. Austin recruit Sarah Voiers led block 3. The girls field averaged 184.5 during the 12-game qualifying block.

The remaining spots on the Michiana Cup team were determined. Joining the five girls who qualified on the basis of the season long points race - Brooklynn Schutz, Sarah Voiers, Maryssa Carey, Keagan Trexler, and Heather Waters - Nicolette Mendez, Liana Motel, Macailin Rodriguez, Annalee Sisk, and Amelia Kiefer earned their spots based on their finish at the tour finals. Joining the five guys who qualified on the basis of the season long points race - Ryan Winters, Kevin McCune, Austin Schultz, Jordan Shepherd, and Grant Oehler - Jakob Sisk, Alex Acosta, Daniel Brown, Zach Carter, and Aiden Swinford earned their spots based on their finish at the tour finals.
