

## TROMBETTA, CAREY TOP TOUR CHAMPIONSHIPS FIELDS

Tyler Trombetta, Highland, punctuated his stellar NWIJTPA season with his first tour title at the season closing Tour Championships. The reigning bowler of the year took down the 2013-14 Player of the Year and Career Titles leader Dustin Zehner 441 - 381 in the championship match. Trombetta was steady throughout the weekend competition, leading both the short pattern and long pattern blocks on Saturday, then placing in the top 6 on Sunday's medium pattern to secure the top seed heading into the title match. In the semi-finals Zehner advanced with a 434-376 victory over Carmel's Grant Oehler. Oehler led the Sunday block to vault from 6th into the 3rd and final qualifying spot.

Carey earned her second NWIJTPA title, once again defeating Grand Rapids Michigan's Kasey Eaton in the title match. The two faced off in an epic finale at the Crusader Showcase in November, and the rematch was just as electrifying. Eaton, the reigning Girls Player of the Year, led qualifying on the strength of her 1,053 block on the long pattern while Carey qualified second behind her 1,035 on the short pattern. Using a gameplan that involved speed and angle, Carey navigated the difficult London pattern and emerged with a 395-368 win that was closer than the score illustrated. In the semi-'s Carey defeated Indiana High School bowling state singles champion, Jackie Rhoda 360-323.

The Tour Championships awarded a record \$6,000 while the 2014-15 season closed with a scholarship award total in excess of \$25,000, both tour records. Participation was awesome this season and we hope that it carries forward into our 2015-16 season that is set to kick off on August 2, 2015 at Olympia Lanes.
